

# FILLING THE NEED

How *LEVERAGE* helps you strengthen the present so you can advocate for the future

*LEVERAGE* equips you with products and services to fulfill your day-to-day needs.

Your League works as your advocacy partner to help pass credit union friendly legislation and compliance guidelines important to the future of the credit union movement.

CREDIT UNION

## REDUCE EXPENSES

Find products and services to help reduce expenses without reducing quality. *LEVERAGE*'s partnerships with best-in-class industry companies create a strong negotiating position. With the ability to get the best prices on everything from office supplies to armored cars, you will have more time, more money, and less stress.

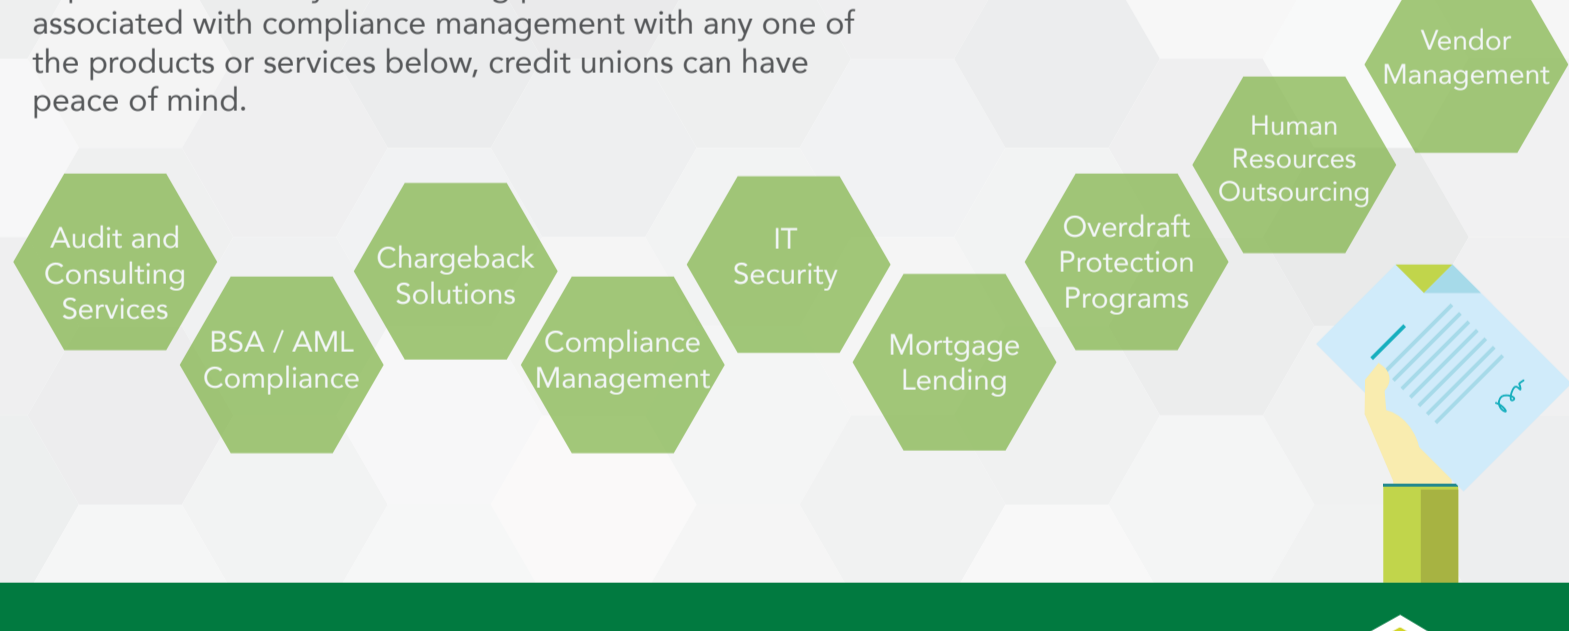

## INCREASE NON-INTEREST INCOME

Find products and services to increase non-interest income and member satisfaction. Produce additional income from fees and marketing incentives while providing a broader range of services to offer members. From overdraft privilege compliance and business lending growth, to additional revenue, increase your non-interest income, and create satisfied members who value the options you provide.

## IMPROVE REGULATORY COMPLIANCE

Find products and services to assist in improving regulatory compliance without depleting your credit union's resources. With *LEVERAGE*'s products and services, credit unions are able to reduce risk and improve controls. By streamlining processes and costs associated with compliance management with any one of the products or services below, credit unions can have peace of mind.

## GROW LOANS

*LEVERAGE* helps credit unions find new strategies for loan growth. From business lending to loan portfolio analysis to student lending and more, *LEVERAGE* can help you find the growth you need to improve your bottom line and help more members.

## STREAMLINE OPERATIONS

*LEVERAGE* has the products and services you need to reduce complexities and increase operational efficiencies. Streamlining actions such as office supply ordering or disaster recovery planning will free up valuable organizational resources. With your staff having more time, it allows them to concentrate on serving your members. Simple solutions that pay big dividends.
